GROWING WITH[®] GRAMMAR

Growing With Grammar is a series of eight books for classes 1 to 8. This series adheres to the guidelines of the **National Education Policy (NEP) 2020** and **National Curriculum Framework (NCF) 2023**.

The salient features of the books in the series are:

- **Revision:** By this, the learners' knowledge of previous concepts will be enhanced. The tasks are designed in such a way that there is a smooth gradient in the difficulty level and the learning process.
- **Reinforcement:** With the help of three R's (Revision, Remember and Reinforcement), students would be able to grasp the given concepts spontaneously and retain it for long. Students' profound inclination towards grammar will be achieved.
- **Exercises:** Each book in the series provides relevant grammatical concepts followed by various tasks that help in reinforcing what is learnt.
- **Writing Skills:** The writing topics such as paragraph writing, letter writing, picture description, etc. have been designed to introduce learners to practical uses of the language. The exercises further help in developing the creativity of learners.
- **Comprehension:** The text in the comprehension passages captures the interest of the learners, making grammar interactive and exciting. Some captivating pictures have also been included to grab the attention of the learners.
- **Enhance Your Knowledge:** In addition to the stipulated grammatical topics, we have added more necessary day-to-day concepts under this head.

The objective of all the tasks is to enable the learners to communicate effectively with accurate and comprehensive use of grammar. The core of all tasks is expanding on functional English.

Each book has support material for the teachers/trainers.
